Are there limitations to the coverage?

- ! Depending on the sums insured (see section "What is insured?"), you may have to contribute to the costs in some cases.

Where am I insured?

- ✓ Insurance coverage for personal and professional activities will be provided worldwide.
- ✓ If your permanent residence is in Germany, insurance coverage will also be provided for a temporary stay in Germany (up to 12 months).
- ✓ If your permanent residence is outside Germany, insurance coverage does not apply to the countries whose nationality you have or where you have a permanent residence.

What is not insured?

No insurance cover will be provided:

- ✗ for claims, even statutory claims, for fulfillment of contract, remedial action, work performed by the purchaser or others in lieu of fulfillment of contract, withdrawal from contract, reduction of purchase price, damages paid in lieu of services;
- ✗ for claims if the insured person deliberately caused the damage in question;
- ✗ for claims for damage to third-party effects and all pure financial losses if the policyholder has rented, leased, borrowed this property or acquired it through unlawful acts, or if they are subject to a special administration;

What obligations do I have?

- We depend on your cooperation for quick and easy processing of any claims. Moreover, you will need to provide proof for the start and end of your trip abroad by submitting suitable documents.

When and how do I pay?

- Depending on the payment method you choose, the premium will be debited from your account monthly or in a lump sum when due.

When does insurance coverage start and when does it end?

- Insurance cover is provided for the period indicated in the insurance certificate, at the earliest at the beginning of the stay abroad. Where application and payment take place prior to the start of the journey, insurance cover begins at the start of the stay abroad (when the insured person leaves his/her home country). Where application and payment take place after the start of the journey, insurance cover begins on the date we receive your application and premium payment.
- Insurance coverage expires automatically on the agreed date, at the latest at the end of your trip abroad.
- No benefit will be available for insurance cases that occurred before the beginning of the insurance coverage.

How do I cancel the contract?

- After expiry of the period applied for, insurance coverage will end automatically. Should you return early from your stay abroad, a phone call or an email is sufficient. We will then calculate your exact premium depending on the number of days you stayed abroad.
